## CLEAN GOV'T WINS

### HAGERTY AND DREW RECEIVE MANDATE

Clean government forces won a two to one victory, in Wilmington, last Saturday, as the now infamous Wilmington Town Democratic Committee sold out, lock stock and barrel to the Termite movement.

Selectmen Frank Hagerty and Mrs. Wavie Drew were resoundingly re-elected, as members of the Baldwin Club, and Independents, Democrats and Republicans united to insure that the government of Wilmington remained on a high plane.

A sadly befuddled group that calls itself the Democratic Town Committee sat at a table near the voting booths all day long. Democratic workers got in the way of the voters, as they asked them to repeat names which had already been loudly announced by the teller. Many of the voters showed annoyance, and many others submitted with good grace.

In contrast to the Democratic ineptness the Baldwin Club's table was a model of efficiency. Workers relieved each other on schedule, and every voter was checked off without any annoyance of the voters. Messages came and were sent with regular frequency.

The Democratic machine was assisted in its annoyance of the voters by Fred F. Cain, who stood outside for many hours distributing the so-called "red sheet", one of the several scurrilous pieces of propaganda which had been circulated in Wilmington in the days leading up to the election.

Fred Cain provided cars to scour the town for voters. He provided a sound truck which kept circulating the Common all day, with one of his family at the microphone most of the time, blasting the air with words from the various publications, the "yellow sheet", the "red sheet" and the "blue sheet".

### Frank Hagerty

The pressure put upon Hagerty by the Democratic Machine, and Hagerty's victory after rejecting the machine confirms with no question of doubt that he is today Mr. Democrat of Wilmington.

Mr. Hagerty resisted threats, blacklistings and cajolings of the Democratic machine, as did Mrs. Hagerty too. The machine was trying to enroll him in the Termite organization.

Hagerty was denounced, the night before the election, by Chairman James McLaughlin, of the Wilmington Town Democratic Committee. McLaughlin told Hagerty that they were removing their endorsement of his candidacy, and that he would surely lose, as a result.

Hagerty told McLaughlin that he would rather lose with honor than to accept such an endorsement.

Mrs. Hagerty, too, was subjected to the same kind of treatment by Mrs. Fay Cantrell, a member of the Democratic machine.

Mrs. Cantrell, who was broadcasting over an out of town station, told Mrs. Hagerty that her husband should allow his name to be used.

Mrs. Hagerty refused, saying that she preferred her husband to be defeated.

Hagerty was elected with a total of 2325 votes, - the largest ever given to any candidate for Selectman in the Town of Wilmington.

### Mrs. Wavie Drew

Mrs. Wavie Drew, who steadfastly stood by the Clean Government forces throughout what turned out to be the dirtiest political campaign ever waged in Wilmington, was also given a resounding mandate by the voters.

The special target of the Democratic Machine, she received 2011 votes, the second largest number ever given to any Wilmington Selectman.

Mrs. Drew is Chairman of the Wilmington Town Republican Committee. She was also a special target for the hatred of Fred F. Cain, who as long ago as last summer had vowed that he would have her defeated, if she ever ran again.

Rene La Rivee, Wilmington Civil Defense Director was defeated resoundingly, for having accepted the Democratic endorsement.

La Rivee had straddled the fence, during the entire campaign, until forced by the Baldwin Club, at their candidates night, to endorse the principal of making changes in the town charter, if needed, by means of the provisions already set up.

La Rivee received only 830 votes - less than 79% of those cast against the Town Manager plan.

Mrs. Helen Crusciel of Chestnut Street, who was popularly credited with being a candidate endorsed by Fred F. Cain to draw the women's votes from Mrs. Drew received 502 votes, and Leo A. McCormack of Grove Avenue, who ran as an Independent Democrat received 346.

### KING OF KINGS MOTION PICTURE TO BE SHOWN IN METHODIST CHURCH

Cecil B. DeMille's immortal masterpiece, "The King of Kings" is to be shown in the Kings' is to be shown in the Wilmington Methodist Church, at 6:00 pm March 15th.

The Rev. Richard E. Harding, pastor of the church has expressed on behalf of the entire church family an invitation to all of the families of Wilmington and surrounding area, an invitation to share in the viewing of "The King of Kings".

### SIGNING CONTRACT FOR URBAN RENEWAL STUDY

Members of the Wilmington Housing Authority, with David Rosen, of the Victor Gruen Associates, of New York City, as the contract for the last phase of the Urban Renewal Study was signed, on March 3rd.

Seated are William Agreeable Smith, Chairman and Mr. Rosen. Standing, left to right, Jim Franklin, Director; and Frank McLean, Ernest B. Rice, and Alan Fenton, Authority Members. K2

### DR. BILL WIDGER FIRST PRESIDENT OF HIGH SCHOOL PTA

Dr. William K. Widger, of Fairview Avenue was elected the first President of the newly formed Junior-Senior High School, Monday night, in a well attended meeting in the Herbert C. Barrows Auditorium.

Dr. Widger, PhD, a meteorologist for the US Government, and one of the key members of the Wilmington Civil Defense Radiation Team was in New Jersey, on business, at the time of his election.

Mrs. Nancy Clark of Church St. was the temporary chairman of the meeting.

Miss Marjorie Marshall, Remedial Reading Teacher, was elected Vice President, Mrs. Frank H. Tuttle of Carson Ave. was elected Treasurer, and Mrs. Jacobus, of Linda Road, Secretary.

John J. Collins, Superintendent of Schools, was the speaker of the evening.

The meeting followed a well-attended Open House.

The coffee hour was in charge of Mrs. Anthony Meads and Mrs. Lloyd Laffin.

The next meeting of the newly formed organization is to be in the High School cafeteria on April 13th.

### ST THOMAS CHURCH REDEDICATES STATUE IN HONOR OF FATHER KELLEY

St Thomas Church was crowded, Sunday afternoon, as the Rev. Edmund Croke led the parish in the rededication of a statue of St. Francis Xavier, given to the church a year ago, by relatives of the late Rev. Daniel J. Kelley.

The statue had been given on the occasion of Father Kelley's illness, a year ago.

### THE VOTING AT A GLANCE (Selectman - Three Years)

Mrs Wavie Drew (elected)	2011
Francis Hagerty (elected)	2325

ton Mass. Postoffice.

## MCCARTHYISM IN WILMINGTON

The people of Wilmington were treated to a  
most disgraceful exhibition last Saturday, as  
one man was tried, not by a jury of his peers,  
but by hand bills and sound truck. The oppo-  
nents of the Town Manager Plan, having tried  
for weeks to find something wrong with the Town  
Manager's business within the Town Hall - hav-  
ing searched, with imported writers, his pro-  
cedure on purchasing, bids, and everything  
else, descended to the depths, and attacked a  
part time business he is conducting on the side.

It is notable that the Baldwin Club, which  
fought the fight of the good people, had as  
their slogan "Not the Man but the Plan". This  
is even more noticeable after the actions of  
the Termites, and the Democratic Machine.

Without trying to find Mr. Calabrese either  
guilty or innocent of the charges so brutally  
hawked about by Fred Cain and others, may we  
point out that he is not the only man who has  
done work outside his regular job, and with no  
detriment to his regular job.

In a store in Wilmington square we can see  
Post Office Clerks working after hours. In ga-  
rages in Wilmington we can see Wilmington Fire-  
men working, on their own time. On the highways  
of Wilmington we can see members of the Wilming-  
ton Police Department working for a private  
contractor.

There is nothing wrong with this practice,  
so long as they do not allow it to interfere  
with their regular work.

And the Termites have not produced one  
scintilla of evidence that such is the case.  
The letter that they were hawking around, and  
that the highschool boys they had hired were  
putting in mailboxes and on front steps was  
dated March 1st, which happens to be a Sunday.

## HOW MUCH DID THEY SPEND?

How much did the Termites spend in their ef-  
fort to change the Town Government? We have  
heard of a figure of \$5000, but we think that  
is high.

Somebody stood by with an open check book.  
The money that was spent wasn't from voluntary  
contributions, such as financed the Baldwin  
Club flyer.

What good did it do? In 1956 there were 1057  
votes against the TM Plan. In 1959 there were  
1058.

## THE TOWN MEETING

The election of last Saturday completed Part  
I of the annual Town Meeting. Part II comes up  
next Saturday afternoon, and if we are lucky,  
will be finished on the same day. It could drag  
on into an "adjourned" meeting, meaning that  
part of it will have to be argued out at a la-  
ter date, probably the Saturday following, but  
this is only a possibility. There are only 38  
articles in the entire warrant, and we should  
finish in one day.

## The Meeting

The meeting will open at 1:30 pm. Attorney  
Simon Cutter, the Moderator, will be in charge.  
He will probably ask a clergyman to lead in  
prayer, after which Article 2 will be the first  
order of business. As it implies, it is to hear  
the reports of committees. We have the Fire  
Alarm Extension Committee, the High School  
Building Committee, and the Permanent Building  
Committee, all of whom will probably be heard  
from at this time.

Article 3 empowers the Treasurer to borrow  
money. The town's taxes arrive in October, but

SUSIE'S

SONNETS

## NO SALE

If commercials affect you

As they affect me,

The sponsors will soon

In bankruptcy be!

the money is being spent all the year, hence  
the need to borrow. A usual article.

Article 4 is the time when the voter holds  
the purse strings. The Town Manager has propos-  
ed the salaries to be paid the town employees.  
The Finance Committee has added its two cents  
worth. The voters now vote, or disapprove. 98%  
of the time there is no argument.

Articles 6, 7, 8

This is Permissive Legislation, by means of  
which our Veterans Organizations are subsidized  
each year by the town or city where they exist.  
Every two or three years we get a "rhubarb" in  
this part of the meeting.

Article 9 is to provide \$100 for 4H club  
work. Article 10 is for new street lights. Ever  
y year people petition for new street lights,  
and the Selectmen in their spare time go and  
see if they are needed. Sometimes they don't  
have the chance to see, as happened on Dunton  
road last year, where lights got voted in for  
practically every pole. A couple of years ago  
the street lights cost us \$13 a year. We don't  
know if there has been any increase recently in  
costs.

Article 11 proposes to buy two new cruisers  
for the Police Department, and Article 12 a new  
truck for the Highway Department.

Article 13 is a new proposition. The Town  
Manager wants to have a check list of what prop-  
erty the town owns. We don't have one at the  
present time.

Article 14 is a regular one. Bills which the  
town must pay are sometimes late in being sub-  
mitted, and this is the only way the money can  
be legally voted.

Article 15 is a proposal for a municipal ga-  
rage. We may hear a lot of oratory on the sub-  
ject. The original proposal was to have this  
off Federal Street, but it seems the neighbors  
object.

Article 16 is for a drain on one of the  
streets in the cemetery, and Article 17 for the  
purpose of extending the fire alarm system to  
those schools which have not yet been connected.  
We don't think there will be any argument.

Article 18 is asking for \$400 to pay for a  
part of the engineering for our sewer line. The  
Federal Government paid for the greatest part  
of this work. We have to pay a little.

Article 19 is a long one, but will probably  
be very short as far as discussion goes. It is a  
by-law to give the Police power to control motor  
boats on Silver Lake. Everyone, we think, is for  
this. Article 20 is to sell back to the former  
owner part of the land which was taken from him  
to build the new water tower, down off Hillside  
Way. It formalizes an agreement already made.

Articles 21, 22, 23 and 24 are so-called Per-  
missive Legislation, by which the town votes to  
let the State rules apply to the situation in  
each question. The cops want eight days off,  
each year, for the eight holidays they work, or  
else pay for the eight days, under Article 21.  
The Firemen want the same thing, to all intents  
and purposes, in Article 22.

Article 23 is submitted by the Welfare Agent,  
who reports that he cannot get a girl to act as  
Social Agent. The Finance Committee is against  
it because it is Permissive Legislation. Ring  
believes it will save the town money, because of  
more financial returns from the Federal Govern-  
ment.

Article 24 is a request by the Fire Depart-  
ment for adoption of Permissive Legislation that  
will increase their pay to about \$5000 a year.

Articles 25, 26 and 27 are all about the same  
thing - our Police Station. They will have to be  
considered separately, but the town should act  
on them all in the same way.

We voted for a Police Station last year, but  
the site was no good. It meant throwing away mo-  
ney to pay for building in a swamp. The Perma-  
nent Building Committee wants to build elsewhere  
and have a larger station. The Chief of Police  
is in agreement. (cont pg 4)

## TOWN NOTES

**You Can't Win**  
Each week, as we go to press,  
it seems that snow is here to  
stay, and each week, shortly  
after our readers get the pa-  
per, the snow is gone.  
We had three inches of snow  
Tuesday, which is still on the  
ground, but is due to disap-  
pear shortly.

Our first week in March was  
rainy, rain every day until  
Saturday, with a downpour of  
.68 inches on Friday. It flood-  
ed the fields in many places,  
and, after the frost had melt-  
ed, it disappeared very sud-  
denly.

## Bean Counter

The Bean Counting Contest, in  
the Silver Lake Pharmacy has  
aroused the cupidity of some  
of our residents. We can't  
blame them of course, for the  
prizes offered are worth a  
little thinking.

One man, who lives on Faulk-  
ner Avenue has bought a jar  
the same size as the one on  
display, and is patiently fill-  
ing it with beans, and count-  
ing as he does it - bean by  
bean!

## CARD OF THANKS

I wish to express my  
sincere gratitude to the  
people of Wilmington for  
their confidence in me,  
at the last Saturday  
elections. I shall do e-  
verything in my power to  
ensure that their con-  
fidence is not misplaced.

Francis J. Hagerty  
5 Hathaway Road

## CARD OF THANKS

My sincere and heart-  
felt thanks to my many  
friends who supported me  
in the recent elections.

I trust that I may  
always be worthy of  
their support.

(Mrs.) Wavie Drew  
West Street

## CARD OF THANKS

My sincere gratitude  
to the people of Wilming-  
ton for their vote of  
confidence in me, in the  
recent elections. I  
shall try to truly re-  
present the people, in  
the coming years.

James P Donahue  
8 Cypress Street

## CARD OF THANKS

May I take this op-  
portunity to thank those  
of the voters of Wilming-  
ton who supported me in  
the voting of Saturday,  
the 7th of March. I  
thankfully recognize the  
fact that a man, en-  
dorsed by no one, could  
receive the support of  
so many. It was a rich  
experience, and one that  
I shall never forget.  
God Bless You.

Leo A. McCormack  
Grove Avenue.

**Vote YES for ARTICLE 24**

**REMEMBER**

IT WILL COST YOU LESS THAN TWO PACKS OF CIGARETTES ON YOUR TAX RATE

Allick Epstein  
 Cunningham Street

Article 28 is to accept roads already constructed by Real Estate operators.

Article 29 is to construct some roads. About four years ago the town informally voted to accept and construct 15 certain streets, as a settlement to a harassing road problem, at a rate which would mean \$1 a year on the tax rate until all the streets had been accepted.

Article 30, for Beeching Avenue, is a proposal by the Selectmen and Town Manager to connect Faulkner Avenue, which connects with Glen Road near Silver Lake, and Cunningham Street, which connects with Salem Street, near the Synagogue. It makes good sense, and will be done under the Betterment Act. The people on Beeching are reported to be in agreement.

**Rezoning**

Articles 31 to 36 are Rezoning Articles. In order to be voted there must be at least two thirds of those voting to say "Yes"

Article 31 is the only one that the Planning Board approved. It would extend the zoning for the Unit Packet plant, on Burlington Avenue.

We disagree with the Planning Board on Articles 32 and 35. Their position is that the people have voted the Zoning Law, and it should be kept as voted, which is a good position.

Article 32 calls for the rezoning of a house lot on Main Street, close to Steven's Market. The Market wants to make it into a parking lot, so that they can alter their store, put in a new front, and extend the back enough so that people who park in back can go in directly, instead of having to walk around to the front as is now the case.

The Market is opposed by the neighbors who fear a "big store" in their neighborhood, and who also fear that the water problem, which is bad, will be made worse.

The water problem is bad, in back, because the land is lower than Silver Lake. Stevens is alleviating the situation by extending the sewer line from Jones Avenue to their property to drain water - an improvement for the entire neighborhood.

Our point is that Stevens has been a good neighbor, in business here for years, and that there is a definite traffic problem here. We think their proposals, in the long run, are of benefit to the town.

The other article with which we disagree is for the rezoning of a piece of rocky land in South Wilmington. It is owned by Marion Murphy and she has a real estate office there. It is the stretch between old and new South Main Streets, and, as we said, is solid rock, being the remains of the old volcano that used to be there. It cannot be used as a house lot. It cannot be used for anything other than the present use. We think the Planning Board vote was unrealistic.

Article 37 is a proposal to build a Municipal Dog Pound. The Great Lover of Dogs should support this article.

Article 38 is a proposal that we legalize the closing of the Town Hall on Saturdays, by adopting some permissive legislation. We really don't have to, but we might as well.

**THE SELECTMEN'S MEETING**  
**Ted Cantrell Observes**

Ted Cantrell of Andover St. was an interested spectator at the Selectmen's Meeting, Monday night. Mr. Cantrell is a member of the Wilmington Democratic Machine.

He listened to the discussion for about an hour, until Selectman Donald Kidder made a request of the Town Manager concerning the Police Station, which had just been inspected by the State Department of Health.

Mr. Cantrell then asked the chairman if he could ask a question. He was given permission, and asked whether or not the request of Kidder to the TM was an order. Cantrell was told it was a request. He shortly afterwards left the meeting.

**Other Business**

The Selectmen received a request from Walpole Woodworkers for permission to store 2000 gallons of gasoline, underground.

They received a bill from a Faulkner Avenue resident for \$15, for a broken auto spring, suffered on Woburn Street.

They received notice of a hearing in the Superior Court House in Cambridge, on March 31, at which time the County Commissioners would consider relocating Concord Street and Federal Street from Concord to Middlesex Avenue.

Hagerty: I understood they were going to consider Glen Road.

Kidder: There is no straighter street in town than Concord.

It was decided that Glen Road could be substituted, by request of the Selectmen.

**Westdale Avenue Flood**

A petition was received from residents of Westdale Avenue, 38 in number, requesting that something be done about the flooded condition of that street.

The water, the petition said, was a result of the construction of Interstate Highway 93, (the petitioners called it Route 38).

Mrs. Drew and Don Kidder confirmed this, and reported that they had been down on Westdale Avenue with the Town Engineer last Saturday, at which time they were in the company of a State Engineer (name not given). The State Engineer, according to Mrs. Drew, agreed that the state was responsible for the condition and that something should be done to restore the area to its former condition. He cited a case in which the state had to spend \$150,000 in a similar circum-

stance at the time Route 128 was built.

**Municipal Garage**

The Board of Selectmen decided that, if they could get the permission of the Board of Water Commissioners they would locate the Municipal Garage on Abigail's Island, in back of the Brown's Crossing Pumping Station, (Article 15 of the Town Warrant).

Other sites were discussed as alternatives, but it was agreed that the Abigail's Island site was best. The Water Commissioners have already agreed that the new Dog Pound, (Article 37) be located on Abigail's Is.

Messrs Harry Deming, Anthony De Luca and John Fullerton of Federal Street were present at the Selectmen's meeting, in the earlier part of the evening, to protest the Federal Street proposal.

Mr. Deming reminded the Selectmen that the Planning Board in 1951 had proposed a dump at about the same site on Federal Street where the Municipal Garage was proposed last week.

Black: Yes, at that time you were acting TM and it was your powers of persuasion that convinced the people the dump should be located elsewhere.

Deming: Yes, and the only reaction I got was first, a total defeat of the article, and second I wasn't fired by the Selectmen next morning.

**Police Station**

A letter was received from the State Department of Health saying that the toilet bowls in the cells, in the police station were dirty. It also remarked on plaster having fallen from the ceiling. Mr. Kidder suggested that the Town Manager have a piece of plywood or beaverboard placed over the hole, as a temporary repair. (Cantrell, at this point wanted to know if it was a suggestion or an order).

**Culverts**

Frank Hagerty pointed out that a culvert had collapsed near the West School (can't repair it now - but we should fix it later), and that a similar condition existed on Swain Road, where there was a sharp dip in the road presumably because of a broken culvert.

Mrs. Drew: I know - and no one has ever complained!

Hagerty pointed out a bad condition at the junction of Bridge Lane and Main Street, and the talk shifted to Salem Street, where travel is now dangerous because of the construction of the new highway.

De Felice: A man can leave his home in the morning and everything is ok, but when he comes home at night it has become very dangerous. The Selectmen discussed the street where it changes its slope every day, as the result of highway work.

TM They (the state) are responsible - they made the taking.

Kidder: I think they should be forced to do something.

Hagerty: And there is that Ski Jump, at High Street -

Kidder: And that condition at the corner of Woburn and Concord - holes - deep ones.

Hagerty: Then there is my third favorite curve - the first is on Adams Street, the second on West - but this one is on Ballardvale. The state is widening Ballardvale right up to the curve, and the ledge and then leaving it. Dangerous I was talking to Tom Donahue about it - and he has promised to take it up with the Department of Public Works.

Kidder: And on Clark Street there is a place where the water runs into some land and within three feet of the foundation!

The TM said he would look into it.

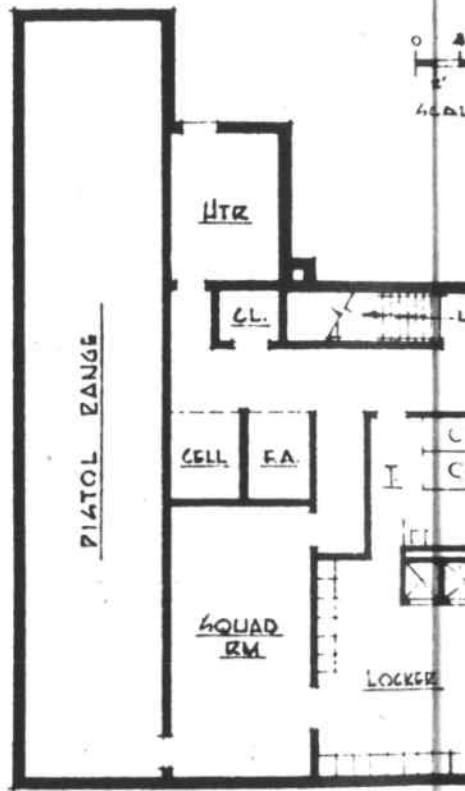

Mrs. Drew: Hobson Ave - near the Little home - the whole street was flooded.

Hagerty: Yes - that's the family that called me.

**Article 38**

The talk shifted to the Finance Committee, and their disapproval of Article 38.

Kidder: How come the Finance Committee disapproved that article.

**BASEMENT FLOOR PLAN**  
**SKETCH & PLANS OF T**  
**PRESENTED TO THE**

Mrs. Drew: Because it is permissive legislation, and the Finance Committee is against any permissive legislation.

Hagerty: That's really a silly attitude.

Mrs. Drew: Yes, but sometimes you get stuck when you adopt permissive legislation. The state then makes the rules and you pay for it.

**Silver Lake**

Hagerty stated that he had been requested by some residents of Silver Lake to see if the proposed motor boat regulations (Article 19) could be so amended as to prohibit operation of motor boats at night. The problem was turned over to the Town Counsel.

**Money**

The Selectmen spent a long time deciding how to appropriate the money for the various articles in the Saturday Town Meeting, and from time to time made comments on the action of the Finance Committee, made public this week by letter to the homes of all voters.

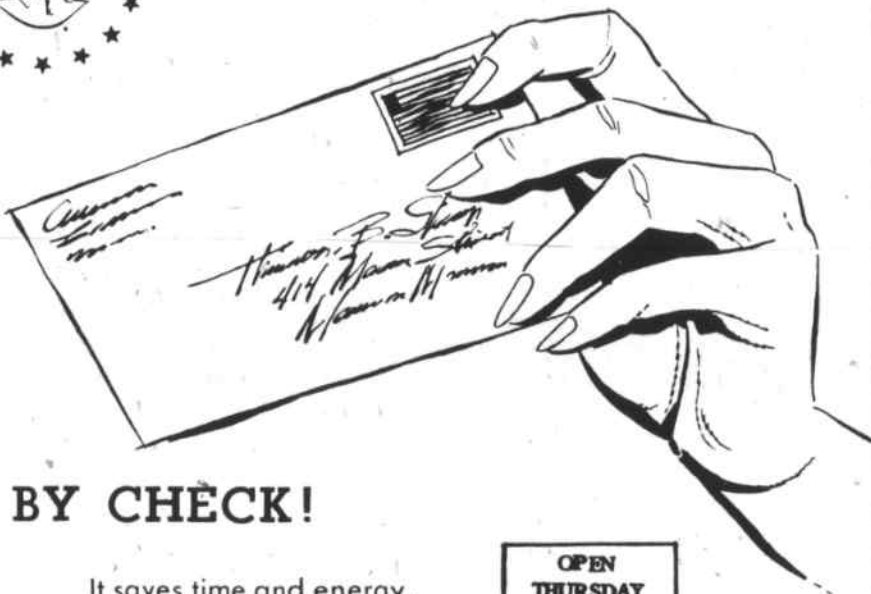

The cut in police salaries turned out to be either a misprint, or a misunderstanding. Calabrese told the Selectmen after some checking, that it agreed with his statements to the finance committee, in final figures.

But the cut in police expenditures was not to be so explained. The TM reported that he had recommended \$6950 and that the Finance Committee had cut this to \$5890.

Town Manager: I can't understand why they cut \$500 from

**NEW POLICE STATION TO HAVE ENLARGED FACILITIES**  
The plans which the Permanent Building Committee are presenting to the Town, in the Town Meeting Saturday provides for an increase of \$10,000 for the construction of a much needed police station. Last year the town designated \$65,000 for this project, and named a site on Church Street.

Because the money appropriated could not purchase all of the facilities which, in the judgement of the Selectmen and the Police Chief were required for a functionally sound building, the committee found it necessary to request a larger sum.

Provided in the new plans are facilities for a detention room for juveniles, a separate room for women, adequate locker rooms, a squad room, and a pistol range for members of the police department.

The building will be adequate for a police force of twenty-four, which the Police Chief feels will provide for expansion of the department for the next twenty years.

In addition to the mentioned facilities, the building will provide room for a four-cell block, an interrogation room, a multi-purpose office, an office for the chief, a detention cell for inebriates, and adequate space for the administrative functions of the department.

**MRS MILDRED A GLOVER**  
Mrs Mildred A Glover of 340 Main St died Thursday, March 5 at Winchester Hospital after a brief illness. She was the widow of the late William M Glover.

Funeral services were held at the Nichols Funeral Home Saturday, March 7, with the Rev Richard Harding officiat-

ing. Burial was in the family lot in Wildwood Cemetery.

Born in South Boston 78 years ago, Mrs Glover had been a resident of Wilmington for about fifty years. She is survived by one daughter, Mrs

Alice Tait of Wakefield, two sons, Kenneth of Reading, and Watson of Readfield, Maine, by two sisters, Mrs Elsie Keever of Needham, and Mrs Edith Nolf of Westbrook, Conn, and by two grandchildren.

ambulance account.

De Police: They should have added \$500 to it.

TM: They cut \$1000 off of Highway Salaries. It will mean perhaps that I shall have to lay off a man.

Hagerty: There has been so little snow removal this year-I understand they were figuring on that, and if you need any more you can get it from the Finance Committee Reserve. The same thing goes with the Police Department expenses. If the money is needed the Finance Committee will go along 100%.

### ON THE WAUGHPATH Cape Cod Meet

The first annual Cape Cod Speed Skating Championships attracted nearly two dozen Wilmington skaters on Sunday to the new Kennedy Memorial Rink in Hyannis where too-warm weather forced postponement of the races until 5:30 p.m. When the program finally got under way, Wilmington came up with five more titles. Danny and Leo O'Connell tied for the Special Midget award for the umpteenth time, and who won the coin toss for the trophy is academic at this point when you consider that the boys are brothers and all trophies wind up in the same house anyway. Jeanne Ashworth captured the Senior Women's championship as a prelude to her trip this weekend to Champaign, Illinois where she will compete in the National Indoor Championships as Wilmington's only entrant. Nancy Weinberg brought home a

Special Midget high-point trophy for her efforts, and Bob Hill of Salem Street won Intermediate Boys honors.

Other skaters who wore the Wilmington Skating Club colors (which are now red, white, and black) with distinction were Drew and David O'Connell, Ray Lenore, Lennie Galvin, Joyce Chinn, Janet and Alice Perry, Pat Fiske, Kathy Pushee, Jeff Williamson, Chet Hooper, Billy Cotter, Danny Moegelin, Paul Lynch, Celia Spear, and Janet Tighe. Nearly all of these skaters were in contention for top honors and were winners of second and third place medals.

Although recent snowstorms have distracted us, we can't help thinking that spring is nearly here, and with spring come the sounds of baseball. One of the sounds of Wilmington baseball is Al Kasabuski mowing the grass on the Little League field, but Al will be making even more sounds this year in his role as President of the local Little League. One of the first sounds heard is a call for volunteers to help with the many and various phases of the Little League program. Managers, coaches, umpires, fence painters, grass rakers, and just plain general helpers will be needed. Any man who can spare an hour or two and would like to be part of the Little League program is invited to attend the next meeting at St. Dorothy's hall in Thompson's Grove, Thursday evening, March 19th

 Wilmington's AVCO plant, on Lowell Street was shown, last Sunday, on the Ed Sullivan Show. Shown were a part of the facilities of the plant, with a brief talk on the nose cone work for the Tital missile.

**ELECTION NOTES**  
 The Anti-Town Managerites got their licks in early, at the election, last Saturday. For the first two hours the voters were streaming in at the rate of 400 an hour, and it was estimated that 60 to 75 percent of those voting in the first two hours were anti-Town Manager.

In the second two hours saw a slow down.  
 For the rest of the day the average was about 300 an hour, with a large percentage of the voters being pro-Town Manager. Only in a few isolated instances were groups of the anti observed, one group being seen at about 4 pm and another at 4:30 pm.

There was a short spurt of heavier voting between 6 and 6:30, with the voters streaming through at about 400 an hour, after which things slowed down again to the 300 rate until 7:30. Then things began to really slow down. In the last half hour there were only 64 votes cast.

**The Barometer**  
 The barometer, on counting of the votes was a gentleman by the name of Edward Curtis, who had sat all day long at the Democratic table, and then was chosen as a teller, about 6:30 pm.

By watching Curtis' face the voter could tell what he was seeing, as he tallied the ballots. He was in the anti-Town Manager camp, and each time he picked up a ballot his face got longer. By 8 pm his chin was practically resting on his knees, and the pro-Town Managerites were certain of victory long before the final results were announced.

**Sound Trucks**  
 Many voters were surprised to see a sound truck circling the common, and Chief of Police Paul Lynch was asked by many to stop it.

Mr. Lynch told the people he couldn't because there was no law on the books that he could effectively use.

The Donahue-Chase fight was the most interesting sidelight of the whole election.

Donahue, who lives on Cypress Street, up at Silver Lake was the most surprised man in the world when he found that he had no opposition, in nomination for the Housing Authority. Chase, who lives on Marcus Road (off Park Street) in No. 17 Wilmington was equally surprised when his neighbors 'volunteered' him, at the last minute.

Chase was attending a meeting of the Park Street Acres Association when it was decided that perhaps Donahue was not the man to be on the Housing Authority. It wasn't that the Park Street group had anything against Donahue, but they did not like certain things about some facets of the Housing Authority - hence they 'volunteered' Chase, who is a fine honorable cit and holds a responsible position in business.

Chase had the worst kind of an uphill fight. He was practically doomed to failure from the start.

Donahue reacted by starting to campaign himself, and he won hands down.

The two men, we must report, are now good friends.

**LEO O'CONNELL JR. IS PRESIDENT OF SWAIN SCHOOL PARENT-TEACHERS**

Leo O'Connell Jr., of Faulkner Avenue has been elected the first President of the newly formed Swain District Schools Parent-Teachers Association.

An accountant, Mr. O'Connell is well known in the baseball and skating circles of Wilmington, and has been active in other affairs.

Miss Louise Moriarty of Lee Street was elected Vice President, in the same meeting, which was held on March 2nd.

Mrs. Carl Capabianco was elected Secretary, and Mrs. Sylvia Levine, Treasurer.

Speakers of the evening were John J. Collins, Superintendent of Schools, who talked on education, and Mrs. Guy Nichols, who talked on fluoridation.

**BUSY NEEDLES NEWS**  
The 4-H knitting club had a meeting on Feb. 25, 1959 at the home of Mrs. N. Mortelliti.

They talked about a cake sale which will be held during the April School vacation. There is no definite date, it will

be announced later. They also talked about the display they were putting in a store window Mrs. Mortelliti served refreshments.

**WILMINGTON WOMEN'S CLUB GUEST NIGHT**

The Wilmington Women's Club will hold its annual Guest Night on Friday, March 20, in the vestry of the Methodist Church. There will be a short business meeting at 8:15, followed by a very interesting program. A young married couple, known professionally as Mr. & Mrs. 'X', will present a condensed version of a Broadway success taken from their repertoire 'Great Moments from Great Plays'. They have a rich background and a wealth of experience in the Theatre, having both attended the Bishop-Lee Theatre School in Boston. Mrs. 'X' was associated with the Fal-mouth Playhouse and appeared with such stars as Stewart Erwin, Zasu Pitts, and Paulette Goddard. Mr. 'X' at the present time also directs for various theatre groups in Greater Boston Area. Delicious refreshments will be served by Mrs. Henry Hartwell and Mrs. Carl Backman and their committee. Guest night is always one of the highlights of the club's calendar and is looked forward to by the members and their guests.

**107 EXHIBITS IN SCIENCE FAIR**

Science Fair, the third annual one of the Wilmington High School students, is to be held in the High School Friday afternoon and evening. Students from the 7th through the 12th grades will exhibit Friday afternoon, from 2:30 to 4:30 p.m., for students of the school.

Judges during the afternoon will be Victor Wiselis, of Federal Street, Roger Thume of Wilton Drive, Frederick Sullivan of Middlesex Avenue, and Robert Cohen, Director of the Science Department of Woburn High School.

The judges will pick the finalists, 30 of whom will exhibit in the evening, during the hours of 7:30 to 9:30, to the adults of Wilmington.

Judges during the evening will be Dr. Dudley Buck, Chairman of the School Committee, and Miss Ellen McCarthy, judge last year. They will choose the five final contestants, who will exhibit their work in the Lowell Technorama, on March 20th.

The first prize winner, from Wilmington, will exhibit in the Boston Globe Science Fair, on April 24 - 26.

Local awards will be made by Supt. of Schools John Collins. 18 of the exhibitors are from the 7th grade, 23 from the 8th grade, 34 from the Freshman class, 5 from the Sophomore, 22 from the Junior, and 1 from the Senior.

The Eastern Middlesex Medical Association will present a \$25 bond to the Wilmington High School student with the best biological exhibit.

**HOUSING FOR ELDERLY**

The Wilmington Housing Authority is now providing housing for elderly persons, at the Old Age Housing project, off Burlington Avenue.

To be eligible a person must be 65 years old or older, a citizen of the US (except an alien who has served in the armed forces and been honorably discharged) a person of low income, and in need of good housing.

The apartments are planned for single or double occupancy dwellings for two persons may be occupied by:

A married couple; two men or two women; a brother and a sister, and in some cases an elderly tenant and a non-elderly person provided that the person is necessary for the physical well being of the elderly person, and is of low income.

The Housing Authority will welcome any suggestion of a citizen who knows of elderly persons in need of good housing. Application must be made at the WHA office, Denine Way, Wilmington.

**RAINBOW FASHION SHOW**  
Wilmington Assembly, Order of Rainbow, is to hold a Fashion Show and Mother's Tea, on March 19th., at the Masonic Apartments on Church Street. The show will be open to friends of the organization and is scheduled to start at 8:30 p.m.

**TOWN OF WILMINGTON PLANNING BOARD NOTICE OF PUBLIC HEARINGS**

Notice is hereby given that the Wilmington Planning Board, acting under Charter 41 Section 74 of the General Laws of the Commonwealth of Massachusetts, will hold a series of public hearings in the Town Hall on the 17th day of March, 1959, for the purpose of changing certain street names, which are similar to, or somewhat identical to the name of other streets or ways in the Town of Wilmington.

At 8:00 am, Grove Ave., beginning at a point on Old Main Street, and extending to a point on Jasper Ave., for a total distance of about 900 feet. New Name: Rhone Street.

At 8:05 am, Chase Street, beginning at a point on Railroad Avenue and extending in a northwesterly direction for a distance of about 1000 feet. New Name: Stone Street.

At 8:10 am, Sharon Ave., beginning at a point on Ipswich Street and extending about 350 feet to a point on McKelvey Ave. New Name: Sacramento St.

At 8:15 am, Woodlawn Road, beginning at a point on Central Street, and extending north-easterly and southwesterly for a total distance of about 350 feet. New Name: Shipley St.  
A. Daniel Gillis, Chmn. Wilmington Planning Board

**BOARD OF SELECTMEN PUBLIC HEARING**

Notice is hereby given that a public hearing will be held by the Board of Selectmen in the Town Hall, at 7:30 pm March 16 1959, on the application of the Walpole Woodworkers, 234 Lowell Street, to store 2000 gallons of gasoline underground.

Francis J. Hagerty, Chmn Board of Selectmen

28627 Reg.

**THE COMMONWEALTH OF MASSACHUSETTS**

**LAND COURT**

To the Town of Wilmington, a municipal corporation located in the County of Middlesex and said Commonwealth; Chester Burris, Hazel Burris, Leonard Chisholm, Alice Chisholm and Ernest Crispo, all of said Wilmington; Pantaceon Mercurio of Boston, in the County of Suffolk; Reading Co-operative Bank, a duly existing corporation having an usual place of business in Reading, in said County of Middlesex; Calista Davis, residence unknown, her heirs, devisees or legal representatives; and to all whom it may concern:

Whereas, a petition has been presented to said Court by Jonathan A. Hamilton and Gertrude M. Hamilton, both of said Wilmington, to register and confirm their title in the following described land:

A certain parcel of land with the buildings thereon, situate in said Wilmington, bounded and described as follows:

Southeasterly by Hopkins Street 278.14 feet; Westerly, Southwesterly and Southerly by land now or formerly of Chester Burris and Hazel Burris 86.41 feet, 30.07 feet and 35.05 feet respectively; South westerly and Northwesterly by land now or formerly of Leonard Chisholm and Alice Chisholm 553.27 feet and 354.11 feet respectively; Northeast-ly by land now or formerly of Pantaceon Mercurio and Ernest Crispo 750.93 feet.

The above described land is shown on a plan filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

If you desire to make any objection to said petition you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House) or in the office of the Assistant Recorder of said Court at the Registry of Deeds at Lowell in the County of Middlesex where a copy of the plan filed with said petition is deposited, on or before the thirteenth day of April next.

Unless an appearance is filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree entered thereon.

Witness JOHN E FENTON, Esquire, Judge of said Court, this fifth day of March in the year nineteen hundred and fifty nine.

Attest with the Seal of said Court.

SYBIL H. HOLMES, Recorder  
Alan Altman, 388 Main St. Wilmington, Atty for Petitioners. M12-19-26

### HOW TO FIGURE YOUR TAX RATE

	1959	1958	Dif.
Gen. Government	\$75,209	\$76,793	\$-1,584
Protection Property	190,273	227,377	-37,104
Public Works	169,496	170,468	-972
Health	32,619	31,110	\$1,509
Charities	113,328	103,718	\$9,610
Libraries	16,936	15,109	\$1,827
Unclass. & Reserve	36,510	35,850	\$660
Debt, Non School	108,550	81,287	\$27,263
Sub Total	742,921	741,712	\$1,209

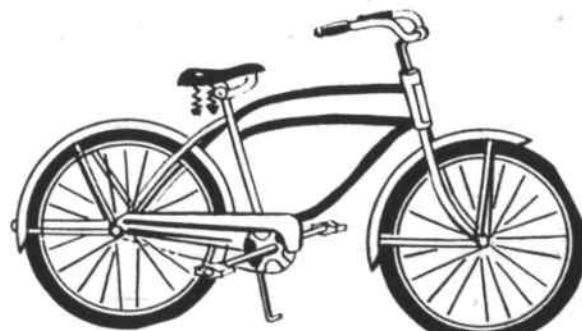

Vocational Train.	7,500	7,500	None
School Operating	137,913	115,422	\$22,491
School Debt	245,627	165,772	\$79,855
School Budget	756,534	619,725	\$136,809
Sub Total			\$239,155
Total Budget	\$1,890,495	1,650,131	\$240,364

Recommended War-  
rant Articles 50,100  
Statutory Charges 100,000  
Total \$2,040,595  
Reduce by Excess &  
Deficiency Fund etc 31,500  
Reduce by Estimated  
Receipts 505,000  
To be raised by  
Taxation \$1,504,095

These figures were prepared by the TM for the Finance Committee & Selectmen and were inadvertently omitted from the Finance Committee's Report to the Town. If the recommendations in these figures are followed out the town will have to raise \$1,504,095 by taxation. The estimated value of property this year is \$23,500,000. This would mean a \$64 tax rate. Every \$23,500 that is added to the total to be raised by taxation will mean an extra dollar on the tax rate.

### WIN A BICYCLE OR POWER LAWN MOWER FIRST PRIZE TAKES CHOICE

IN OUR  
BEAN  
GUESSING
